INTRODUCTION

MARYLAND STATE BENEFITS AND SERVICE ELIGIBILITY CRITERIA

VETERAN DEFINED

To qualify for most Veterans' benefits, programs or services, you must first establish eligibility. A Veteran is defined by Title 38 U.S.C. §101 as the following:

- A person who served on full time active duty in the U.S. Armed Forces, other than active duty for training, and was discharged or released under conditions other than dishonorable.
- An individual who died while serving on active duty, or was disabled or died from a disease or injury incurred or aggravated in the line of duty while performing active duty for training or inactive duty training.
- Certain members of a reserve component of the U.S. Armed Forces.
- Certain members of the National Oceanic and Atmospheric Administration (formerly the Coast and Geodetic Survey) and the regular or reserve Corps of the Public Health Service.

Note: *There are various state programs, benefits and resource providers that define veteran as "someone who has served" and/or those that may have additional requirements. We encourage you to ask rather than assume that you are ineligible.

*Spouses and dependents of deceased veterans may also qualify for certain programs and services.

DETERMINING ELIGIBILITY

Whenever a veteran requests benefits and services, a copy of the individual's discharge papers are required to verify eligibility. This form is called Form DD214. To obtain a copy you may exercise one of the following options:

- World War II Veterans, who were Maryland residents at the time of entry into the service, and veterans who were discharged after October 15, 1979 and had a Maryland address at the time of discharge, can contact our Baltimore Veterans Service Office at 800-446-4926 x6450 to determine if we have a copy of their DD214.
- Veterans and their next of kin can also request a copy of the service member's DD-214, Certificate of Release or Discharge from Active Duty from the National Archives at www.archives.gov/veterans/ or www.ebenefits.va.gov (Access My Documents).
- If you do not have access to the Internet, you may contact the National Archives at **The National Archives & Records Administration**, 8601 Adelphi Road College Park, MD 20740-6001, 1-866-272-6272. You may also contact one of our Veterans Benefits Specialist (See pages 7-9).

MARYLAND CEMETERIES AND MEMORIAL PROGRAMS

MARYLAND VETERANS CEMETERIES

The Maryland Department of Veterans Affairs' Cemetery Program is the largest State Veterans Cemetery Program in the nation and provides a dignified and compassionate interment for veterans and their dependents. Interment services are conducted Monday through Friday, excluding State holidays and weekends. Cemeteries are open to visitors daily from 8:00 AM until 5:00 PM. The gates close at 4:45 p.m. to allow visitors to exit the cemetery; however, on Memorial Day (the date of State observance) the cemetery remains open until 8:00 p.m.

Honorably discharged veterans, who meet the state residency requirements may choose one of five State Veterans Cemeteries as their final resting place. There is no cost associated with the Veteran's burial plot, opening/closing, headstone and state liner (if used); however, eligible dependents have a minimal opening/closing cost and a direct cost for state liner (if used). Plots are available on a first come, first-served basis. Veterans have the option of participating in the Pre-interment Program which allows the eligible veteran to select their preferred Veteran Cemetery and verify their eligibility for burial in advance. EMPLOYMENT

Expedited Professional Licensing & College Credits

The Veterans Full Employment Act of 2013 was signed by Governor Martin O'Malley on April 17, 2013. The Act, which went into effect on July 1, 2013, is part of the Governor's effort to achieve full employment for Maryland veterans by the end of 2015. It helps veterans acquire professional credentials, earn college credits, and makes it easier for military spouses to continue their careers as they transfer to the state. Servicemembers, veterans and their spouses who are licensed in another state will see expedited licensing procedures, including the issuance of temporary licenses, if they relocate to Maryland and meet our requirements for reciprocity. For additional information visit http://dllr.maryland.gov/license/opvetlic.shtml.

Employment Assistance

As a Veteran of the Armed Services, you are a valued member of Maryland's civilian workforce with the skills, training, and character to meet the toughest challenges faced by today's employers. The U.S. Department of Labor (USDOL) provides grant funds to the State of Maryland providing employment and training services to eligible residents and workers. As a condition to receiving those funds, Priority of Service (POS) is given to qualified veterans when referring individuals to job openings, USDOL funded training programs and related services. Veterans' services representatives, specifically Disabled Veterans' Outreach Program Specialists and Local Veterans Employment Representatives, commonly referred to as DVOPs and LVERs, provide specialized employment services to veterans. For additional information and to locate your community DVOP or LVER visit http://dllr.maryland.gov/employment/vetsposbrochure.pdf.

Employment Opportunities

Veteran Friendly Businesses submit employment vacancies targeting veteran job seekers and their dependents. The Maryland Department of Veterans Affairs forwards announcements bi-weekly to subscribers. To become a subscriber send an email to mdveteransinfo@maryland.gov. If you are interested in posting a vacancy please contact the Outreach Director at 410-260-3838.

The legislation authorizes the Maryland Department of Veterans Affairs to receive donations, and then make grants and loans to veterans and their family members who are in dire financial situations, or to private organizations that help veterans (homeless programs, substance abuse programs, etc.).

Applications for grants/loans from the Trust Fund are reviewed by the Maryland Trust Fund Review Committee, which consists of the Deputy Secretary, MDVA Directors, and representatives from the Maryland Veterans Commission and the Maryland Veterans Home Commission. Recommendations are made to the Secretary or designee, who makes the final decision on whether or not an application is approved.
