### **Commander's Message –**

Well, here it is time for a bit of news from the Commander. Frank is still in Berlin Nursing Home. He seems to be doing fine. I understand he may be able to go home for a few days while he waits for his operation.

Toni sounds like she may be doing pretty good. We all look forward to having her back. The roof is progressing and should be finished in a couple of days. It looks great! Hopefully the air conditioners will be installed by the time you get this newsletter.

The nominating committee is in place and it is time to consider your officers for the coming year.

Thanks to all of those who continue to work for the good of the post.

### **Ladies Auxiliary -**

From the desk of: Lelia Lehman President ALA Unit #166

We've been busy little beavers here at Unit 166. At our next meeting March 16<sup>th</sup>, we will be doing an Initiation ceremony and several new members will receive their American Legion Auxiliary gold pines. I am asking all the new members to please come to this meeting and get your pins. I now have a Secretary, a 1<sup>st</sup> Vice and a 2<sup>nd</sup> Vice to help me make great things happen in our unit. I think we are going to have a wonderful time this year and next year. My new 1<sup>st</sup> Vice Rosemarie Brac is going to go out and buy what we need to make Easter Basket for the kids at Easter time and we will all pitch in and help to put them together. Those of you who have not paid your dues, please do so A.S.A.P. We are trying to get 100% members paid.

I'd like to thank all of the members who have paid their dues.

Those of you who like to cook and want to show off their best dishes can sign up at the meeting to bring a dish for all to try when we have lunch after the meeting. See you then !

Lil
