## Commander's Message

I sincerely hope that One and all had a wonderful Holiday and the year 2000 will be Healthy and Happy.

As the year 200 is now a reality lets hope that the American Legion Motto "For God and Country" will be met by this Post, and that Our Aims and Purposes for Veterans and the Community are successful.

Again we hope that the Armed Forces stationed in foreign lands and waters will be able to come home.

As our newsletter is a quarterly issue please keep it handy so that you can stay informed as to the happenings in our Post home.

I am looking forward to seeing you at our next Post meeting and at our next Post function.

In service to my Post I am, Sincerely,                      Martin Price Commander.
