My sincere thanks to all those who took the time to come to the Post and vote. I am very proud to have served as Commander this year and I will, to the best of my ability, continue to put the aims and purposes of the American Legion first.

Thanks also to those who participated in our Memorial Day Service and to Nancy and Charles Rummel for coordinating the ceremony. For many years now this Post has purchased all the flags that are put on the graves of Veterans in all of Worcester County. Members from Boggs Disharoon Post #123 in Berlin, MD travel all around Worcester County and place the Flags on the graves, We Purchase, They Place, a good partnership in action. That is what I wish for Post #166, a good partnership in action. Members working together to try and make a difference.
