

Synepuxent Observer, July 1, 1999

Volume 27, No.3

Martin Price Commander Anne Rogers President Frank Hoover, 1st Vice Comdr.

Commander's message, summer is upon us again. This past winter was mild pleasant. Our Elections are over and I thank all those who participated by either running for an Office or taking the time to vote.

The Memorial Day service at the Post Home was very well attended as many of our members and guests took time out from their busy schedules to remember those who had sacrificed so much in past wars. The monument that is out in front of our Post home has been refurbished and looks grand, it can now proudly hold the wreaths that I had the honor of placing there at our memorial service. As most of you are aware the Flags placed on all Veterans graves in Worcester County, commemorating Memorial Day and what it stands for are placed there by members of Boggs Disharoon Post 123 in Berlin BUT the Flags are all purchased by this American Legion Post 166. These two Posts have been working together on this project for many, many years. Perhaps this practice could be enacted between members of this Post working hand and hand as they volunteer to help sell Motorcycle raffle tickets on the boardwalk or help during Bingo.

My best wishes to you all for a good summer and I look forward to seeing you at our Post Home. Remember that our next Legion meeting is not until October 11, 1999.

For God and Country I am, Sincerely, Martin Price, Commander.

American Legion Post #166

(Newsletter, July, Aug. & Sept. 1999)

Auxiliary President's Message.

As this will be my last newsletter as President of Synepuxent Unit #166, I would like to take this opportunity to thank all of my Officers and committee chairman for their help during the last 4 years. Without them we could not have accomplished all that we did. With the help of the Auxiliary members, Legion members and others working on the motorcycle and beer truck we were able to donate a great deal of money to a lot of different charities, naming just a few, The Emergency coordinating committee, Grant a wish, Perry Point VA Medical center, Fort Howard VA medical center. Charlotte Hall Veterans facility, Elsmere Veterans Hospital, Feed the children, Special Olympics, Scholarships to Salisbury State University and Wor-Wic Community College, Girl's State, Christmas programs for the Developmental center at Newark and The Cedar Chapel Special School, The Town of Ocean City Team Sponsor, and lots of other charities to numerous to mention, to the tune of about \$30,000.00.

We gave with an open heart to all our Veterans and Children & Youth programs and hope to be able to give again this coming year.

Thanks again to the Auxiliary members for supporting me. Have a great summer and please support your new Officers. Anne Rogers, President.

American Legion Post #166, (newsletter, July, Aug.& Sept.1999)

To the Membership of Post #166

If you are looking forward to the meetings in the Fall and having a snack afterward, How about giving us a hand on the boardwalk selling raffle tickets on the Harley Davidson motorcycle. As of July 1st I have (37) openings in the boardwalk schedule for Saturday, Sunday and Monday. This project helps support all our charities and helps with the up-keep of the Post home. The shifts are not that long, 2:PM to 6PM or 6:PM to 10:PM. If we can't fill the vacant spots in the schedule no tickets will be sold at those times. **Help your Post and yourself, being a volunteer makes you feel good!** Call the Post or my home today, Ed George, Service Officer.
