Commander's Message. My fellow Legionnaires, This past winter was a warm one and this spring has not been too harsh. Most of the spring flowers are up and the fish are starting to bite.

We have but four meetings till our summer hiatus. Let's not forget our Post and the Springfest. Past Commander Mike Cover will need help with the beer truck. Also, Check the newsletter for our special events, **Shrimp, The Spring Dance, Bingo and the American Legion State Convention.** We will need Volunteers both Mondays and Thursdays for our Bingo and in July for the Convention.

I wish to Thank Ed George, John Shipley and Bob Boyles for their dedication serving on the Post's House Committee. The work they had to do to get the building painted and the new Fire Doors installed (Just to name 2 things) is greatly appreciated. We also wish to thank all the others that have blessed the Post with their help, **A RIGHT HAND SALUTE TO YOU ALL!**

Remember that there are many eligible Veterans out there just waiting for a fellow Veteran to ask them to join our Post, ask one today!

I look forward to seeing you at our next Post function or meeting,

For God and Country I am, Sincerely, Martin Price, Commander.

Message from Auxiliary President Nancy Rummel

Since there are only Two Unit meetings scheduled prior to adjournment for the summer, there is still much to be accomplished.

Membership: At this time our Unit still needs eight paid members to reach Goal and ten paid members to reach Goal plus, Our District has dropped to sixth place.

During our March meeting an Initiation of Unit members was held. Many members both old and new participated.

Veteran's Affairs and Rehabilitation: A clothing bazaar for our Veterans was held on March 11th at Perry Point VA Medical Center. Clothing contributions from our Unit helped make this a huge success.
