## Commander's Message

Those you elected for the 2004 – 2005 Legion Year have been working hard to make improvements and establish financial stability for Post 166. We have conducted meeting during the summer months to plan and develop policies that will yield positive results , The Legion Convention went well and your officers participated in training programs to better prepare them. We are making progress , but we can't do it alone. We need your help. Based upon last years TAX records , post expenses exceeded Post income by over \$ 9,000.00 .Spending an \$ 11,000 CD increases our annual losses to over \$ 20,000.00

As most realize , many of our members do not live in the Area . It therefore becomes the burden and responsibility of local Legionaires to help in the process of making improvements. We need your help ; your involvement ; and your talent to yield positive results . “ASK NOT WHAT YOUR LEGION CAN DO FOR YOU---ASK WHAT YOU CAN DO FOR YOUR LEGION.” Support your Post ; Attend meetings ; recruit new members, and volunteer for Legion activities. Your participation and involvement are critical and necessary for the challenges we face this year.

Our goal this year is to make physical improvements in The building. We hope to install a new ceiling in the main Hall this year , and we will need volunteers to do the work. We count on you for help.

Yours In legion Service,  
Martin G. Price , Commander

## Auxiliary President's Message

From the desk of LIL LEHMAN , Auxiliary President

Since I have assumed the duties of the Legion Kitchen, I will be needing helpers in the kitchen and servers for the upcoming affairs . If you would like to help out in the kitchen or in serving food, please call me at 410-208-1354 between the hours of 11:00 a.m. and 4:00 p.m.

We have paid off the motorcycle and paid the Auxiliary back for the “start up “ money for the raffle. Everything now is going to be profit. There are still some spots that need to be filled so we can make the money we need. Please! Call me if you can fill one of the spots. There are over 700 men in this Post. I just can't believe that I have openings to be filled.

Now that we have a new Commander, and a complete new group of officers , we need to get involved. There's no reason not to come back to the Legion.

Thanks to all who have been working the Raffle on the Boardwalk. You have been wonderful.

Yours in Legion Auxiliary Service,

Lil Lehman , President , Post 166 Legion Auxiliary
